Then by selecting the **MAKE A PAYMENT** button, you are able to process your transaction.

When you access the **MAKE A PAYMENT** button the information you need to enter is: student name and date of birth. Other details will then be required, followed by the issuing of a transaction receipt.

Unfortunately, if payments are not received by the due date, students will not be able to participate in some activities. No exceptions to this rule can be made as it is unfair to those who have paid.

Please be aware that clearance of some payments can take up to 3 business days. For enquiries regarding student payments to school, please contact the school office on 6852 2187.
