## PRINCIPAL'S REPORT

### WEEKLY CALENDAR – TERM 4, WEEK 6

**Monday 13th Nov**

**Tuesday 14th Nov**

**Wednesday 15th Nov** *Stage 2 Wellington Caves Excursion*

**Thursday 16th Nov** *Swap Classes for the morning*

**Friday 17th Nov** *3/4R and 5/6F assembly performance*

**Monday 20<sup>th</sup> Nov** *Intensive Swimming begins*

I was so proud to accompany our Captains to the Remembrance Day Service on Saturday. It was wonderful to see so many young people there on the day. A huge thank you to Bridie Hughes and Kobe Quirk for attending the Ceremony on Saturday and representing our wonderful school.

Congratulations to Aleesha Saville for winning the Forbes Lions Club Peace Poster Competition. Aleesha's entry will now go on to the next round.

The Colour Run was a huge success on Friday and I loved seeing the joy on the students' faces as they ran past. Thank you to Mrs Fliedner for organising and the staff for participating in such a fun event. \$3,300.00 was raised for the Year 6 end of year gift to the school.

Education &  
Communities

Safe, Respectful, Responsible  
Forbes North Public School

During the past 6 weeks of Term 4, students have been earning Dinawan tokens as part of our PBL Program at Forbes North. The Tokens were then placed in their choice of four different activities. The activity with the majority of Dinawan tokens was to 'swap classes' so, to celebrate their PBL success, the students have chosen a teacher they would like to spend time with and this will take place this Thursday in the morning session. Well done everyone!

*Michele Morley*  
*Relieving Principal*

*3/4R and 5/6F will both perform in this week's assembly on Friday*

## INTENSIVE SWIMMING PROGRAM

This 10 day Intensive Swimming Program commences next Monday, 20<sup>th</sup> November through to Friday, 1<sup>st</sup> December and is for all **Year 2 students** as well as students from **Years 3-6** who are identified as non-swimmers. This is a compulsory Program for Year 2 students and payment of \$30.00 is required by tomorrow, Wednesday, 15<sup>th</sup> November. Reminders for those students who haven't yet paid will be sent home today. Completed permission forms are to be returned to office as well.

## LIBRARY NEWS

We are doing a stocktake in the Library in Weeks 9 & 10 so we would appreciate all books being returned to school by the end of Week 8. Notices for overdue library books will be sent home this week. Thank you to those parents/carers who have recently paid for damaged or lost books as this enables us to replace the missing items as these are valuable resources to our students.

The final Book Club issue for the year is due back to school by the 24 November. This Book Club order and next week's Book Fair is a great opportunity for some early bird Christmas ideas.

The MINI BOOK FAIR will be held on Monday 20<sup>th</sup> and Tuesday 21<sup>st</sup> November commencing at 1:20pm to 3:00pm in the school library. Buy one book and donate one free book to the library. Cash only.

Kay Howarth from KAYS BEADS has donated a small amount of beautifully handmade library bags. These are available for purchase at the School Office for \$10.00 per bag, with the proceeds being donated to the School Library.

## ETHICS NEWS

The Ethics Program at Forbes North has recently had a few changes. Unfortunately, we have lost 3 of our 4 teachers and the Coordinator. I will be resuming the Coordinator role and we are currently looking for more volunteer teachers. If you are interested in volunteering your time on a Wednesday to this wonderful program, please contact the office. The next training course is to be held on 25<sup>th</sup> & 26<sup>th</sup> November in Milthorpe, so that we can resume all stages.

Ms Tricia Greenhill, PE Coordinator Forbes

SunSmart Snippet

# The simplest way

...to be SunSmart in summer!

## Did you know?

Temperature doesn't determine when you need sun protection. It is UV radiation, which is not affected by temperature that damages skin cells and causes cancer. To reduce your family's risk of skin cancer, **use sun protection whenever UV levels are 3 or above.**

## How do I know when the UV is 3 or above?

Download the free SunSmart App and set it up for your location!

Most parts of NSW experience high levels of UV radiation, especially from October to March. Check the UV every day using the app, or set up the auto-alert, to find out when you need to use sun protection.

Got any questions? Contact the friendly SunSmart Team on (02) 9334 1761.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to [www.sunsmartnsw.com.au](http://www.sunsmartnsw.com.au)
