TERM 3 WEEK 5 PERFORMANCE

*Transportation, Gold Rush, Bushrangers
and Swaggies.*

A Swag of Tales leads the children through a zany yet informative history lesson that starts in England with a convict court case and covers the voyage to Australia, early Settlement, the Gold Rush, Bushrangers, Squatters and the age of the Swagman.

To help convey to students the concept of time and history, a time line is drawn using 25 year intervals, that goes back eleven generations to the first fleet. Using toys, period costumes (some of which are worn by your students), stories and music, students get an idea of what life was like during those first one hundred and fifty years of European settlement in Australia.

The whole show comes alive with great costuming, props and a simple yet effective set. There is loads of audience participation as students are involved in everything from hold ups to dressing up in costumes of the day; and when 'Waltzing Matilda' is sung by a sheep and from the sheep's point of view, the result is hilarious. It's no fun being stuffed into a tucker bag!

A Swag of Tales - Monday 19th August

Note: *Students who have paid the voluntary school contribution fees do not need to pay to attend. For students who have not paid the VSC but would like to attend the performance it is a set fee of \$5.00 and **MUST** be paid by Friday 16th August.*
