Students in years K-2 will be attending a performance and activities at Victoria Park from 9.30am. They will be travelling by bus and will return to school before lunch. Please pack recess in a small bag labelled with your child's name to take down to the park on the day.

Students in years 3-6 will be walking to Goodstart Early Learning, Learning Ladder and Bright Beginnings (depending on their class) to participate in reading activities with children aged 0-2. Students will leave school at 9.30am and return at the end of recess.

A whole school parade will commence at 2.05pm underneath the COLA in the afternoon. Parents/carers and friends are invited to attend to watch the parade of amazing costumes! If you have any questions please contact the school.

DON'T FORGET TO DRESS UP THIS FRIDAY!

From the Principal.....

I would like to highlight a wonderful initiative for parent and caregivers currently running at Forbes North PS, jointly planned and presented by Forbes North and Schools as Community Centres. The 'Launching Rocket Learners' initiative provides opportunities for parents and caregivers to gain insights into how our key learning areas of literacy and numeracy are addressed at school, as well as how parents and caregivers can support this learning in the home.

Our highly skilled Instructional Leaders, Mrs Louise Hoey and Mrs Jenny Henry, are the key presenters of these workshops and the parents and caregivers who have attended the first two events can attest to the value of the information provided. Support from SaCC Coordinator Mrs Maree Yapp also allows for those with little ones to attend, and to enjoy a relaxing morning tea following each workshop.

If you haven't attended a workshop yet, but would like to, the next one will be on Friday August 30th at 9:30am.

Have a great week!

Principal

The countdown is on with only **2 weeks to go before the Premier's reading Challenge is over** for another year. Please send in finished record sheets so they can be validated.

Congratulations to the following students who have recently completed the challenge: Benji Hodges, Charlotte Markwort, Laura Greenhill, Lucia Bilsborough, Roxanne Taylor, Nate Markwort, Isaac Knight, Ryhs Knight, Jayden Knight, Charlie Pearce, Eleanor Osborne, Harry Bilsborough, Lexie Finn, Naomi Klingner, Paige McCarthy, Phoebe Walker, Will Constable, Oakley Fliedner and Tom Greenhill.

Bedgerebong Show

Last Saturday Will Constable and his dad kindly took Forbes North Public school fruit and vegetable entries to the Bedgerebong show for display. This is a great community event and it is wonderful that our school's produce was on display for judging.

Our produce gained a number of awards including most successful in fruit and vegetables however in this time of drought being involved in the show to boost support was a very positive exercise.

We do plan to enter the Forbes and Parkes shows vegetable sections if we have not eaten all of the goodies by then!!!

A SWAG OF TALES

What a fantastic time the students had at the Term 3 Performance on Monday. Travelling back in history to the 1700's to observe the fashion, environment, money and the toys that the children had to make to be able to play. The students from kinder to year 6 were entertained with drama, laughter and the reality of real life situations from the 1700's to the year 2020. Thank you to all students who attended and demonstrated the ability to be an excellent positive audience.

Kitchen Kapers

20 enjoyed eating their macaroni and vegetables they made in kitchen! They enjoyed cutting up broccoli, celery, beans and cauliflower and measuring out corn and peas!!
