FROM THE PRINCIPAL....

A couple of weeks ago I shared with you the exciting news that the Department of Education was establishing a virtual Opportunity Class to cater for students entering year 5 in 2021 with identified strengths in the key learning areas of maths, science and technology. Run through the state's virtual selective high school – Aurora College – the establishment of a virtual OC class enables those identified students to access the selective school environment without having to leave home (or their home school). On-line applications for placement in Aurora's Virtual Opportunity Class have been open for the past two weeks, and will close this Friday, June 26th at 5:00 pm. If you intend to apply for placement of your child in the OC you must do so prior to the close as no late applications will be considered.

Update on Healthy Harold Merchandise

Unfortunately, due to COVID- 19 mitigation measures, the process of hand to hand delivery of merchandise at the school is not available. However, parents can access the online shop at the following website to buy products if required:

<https://www.lifeeducation.org.au/shop/>

Any cash payments received already will be sent home today.

Healthy Harold will be here from Tuesday 21st July to Friday 24th July (Week 1, Term 3)

All children are expected to attend as this is part of the PD/H curriculum. The cost is \$10 per child which includes a book that aligns to the visit to use in the classroom. Payments will now be accepted. Please note that if you have already paid the Voluntary School Contribution fee there is no need to pay again for this activity.

School Banking

We have decided to restart the School Banking program from Thursday, 23 July (Week 1, Term 3)

Aurora College

The virtual school for rural and remote students

Aurora College is NSW's virtual school, offering a mix of online and residential school classes for high potential and gifted students in rural and remote government schools.

The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and to learn globally. Students connect with their teachers and classmates in timetabled lessons using cutting-edge technologies in a virtual learning environment.

Aurora currently offers selective classes in English, mathematics and science to Year 7-10 students and also gives Year 11 and 12 students the opportunity to study subjects not available in their own school.

In 2021, Aurora College will have an Opportunity Class for Year 5 students enrolled in rural and remote government primary schools. Students will study the content of the Mathematics and Science and Technology syllabuses, with a focus on STEM.

Application for entry into Year 5 in 2021:
Opens 9 June 2020
Closes 5pm 26 June 2020

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Steve J McAlister

Looking for something to do in the School Holidays!

Come and join in the fun at a tennis coaching clinic during the 1st week of the school holidays 6th July to 10th July. The starting time is 9.00am and the finishing time 1.00pm.

Due to COVID 19 restrictions the clinic will be modified with limited numbers each day. Guidelines will be followed as per NSW Health & Tennis NSW regulations. Definite bookings must be made before Friday 3rd July as walk ins will not be available this time.

The main aim is for everyone to have fun in a healthy and safe environment while learning how to play tennis. The clinic is open to all children 5yrs to 15yrs regardless whether they have played tennis before.

So, come and join the fun. Places are limited so remember to book early by phoning Peter on 6851 1993 or send a message via facebook @Peter Clifton Tennis Coaching by Fri 3rd July.
