ECO DAY

On Friday 28th of May, the year 5 students attended a day at the Forbes Show ground host by Central West Lachlan Landcare. The year 5 students were involved in ways to improve our environment, agriculture, mining and the importance of contributing (volunteering) in our communities. This year the guest speaker was Costa Georgiadis who spoke to us of what our minds and hands can do to help our Earth and how to sustain it for ever more. Some of us got to hold his TV logie trophy and we all helped him plant a shrub at the Forbes Showground at the end of the day.

The year 5 need to be congratulated for their superb positive behaviour on the freezing cold day. Also a big thank you to Mrs Gorton and Mr Merritt helping with supervision and also participating on the day.

FROM THE PRINCIPAL...

It really is hard to believe that we are rapidly closing in on the half-way point of the school year, and still have so much to squeeze into this term before we can enjoy the mid-year break.

I have mentioned previously how great it is to see our kids once again enjoying some representative sport. Our netball and boys' soccer teams in particular are enjoying some success in the PSSA State Knockout competitions. The netballers, under the guidance of Miss Prior, are just one win away from the Western Region quarter-finals. They will play a red-hot Middleton PS team before the end of term to determine who makes a quarter-finals appearance. This match will be played at Forbes North.

Our boys' soccer team has defeated Forbes Public, Combined Small Schools and Parkes East to progress deep into their competition. They are also expected to play their next match before the end of term, and will come up against the winner of the match between Gulgong PS and Kandos PS in the next few weeks.

Our boys' basketball team (possibly a first for Forbes North) will play their first game against either Wyalong PS or West Wyalong PS this Friday.

Somehow, between now and the end of term, we also need to fit in Eisteddfod performances by both our choirs and our junior and senior dance troupes; our school athletics carnival; a Rugby League knockout/gala day; the stage 2 excursion to Burrendong; and, of course, our mid-year Re-Connect Meets.

I think we'll all be grateful for the holidays!

Have a great week!

Operation Art

Thank you to all the students who participated in the competition. It was a hard decision for both Mrs O'Brien and our outside judge to select the final artworks. We received so many talented pieces of work that it was very hard. We would like to congratulate the following students for being selected for the competition:

- Charlie Bridge from 3/4G who created a wonderful painting of a platypus
- Will Markwort from 4/5P who created a beautiful colourful koala
- Sienna O'Malley from 5/6Y who created a mystical and magical elf
- Pearl Karaitiana from 1/2W who created an adventurous underwater scene

These students will have their artworks sent off to Sydney to participate and they will receive their artworks back at presentation night in Term 4. We would like to wish them all the best and have our fingers crossed that one of the pieces might be selected to be hung in the Children's Hospital.

I would like to give a big thank you to the following students for entering work into the competition. These students will all receive an icon for their wonderful artworks! Thank you to these students - Sasha McCarthy, Nevada Karaitiana, Corby Fliedner, Ethan Ray, Roxy Taylor, Luke Bilsborough, Cheyenne Dare, Lillian Scott, Lucia Bilsborough, Isabel Pearce, Ruby Neilson, Nate Markwort, Lorcan Ryan, Rachel Bilsborough and Sarah Hayward. A special mention to all the students in 1/2W who also created artworks to enter in the competition in class.

LOST PROPERTY

Due to the cold weather setting in and students needing to wear warmer clothing... it is advised that school clothes are clearly labelled with your child first and last name on their clothing.

Teacher Dares!

This term we will be holding a fundraiser resulting in some of our very own teachers participating in dares at our Week 10 assembly. Our teacher dares include:

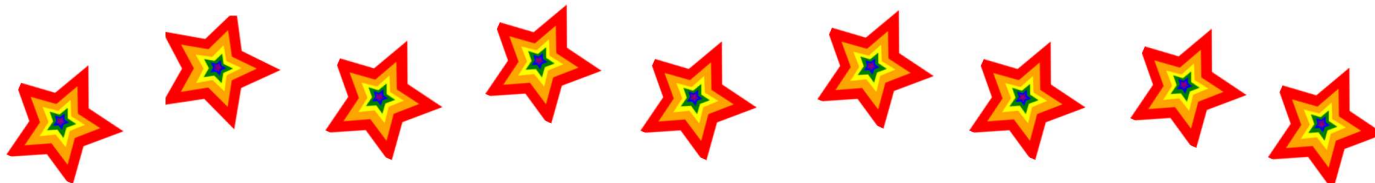

- Miss Prior getting water bombed
- Mr Merritt getting a pie in the face
- Mrs Welsh getting her hair sprayed
- Mr McAlister teaching a lesson *(this winning class will schedule a lesson with Mr Mac early Term 3)*

Each classroom teacher will have a collection tin in their classroom to receive donations.

Donations will finish on Friday of Week 9.

The top 4 classes who have raised the most money will get to draw a teachers name out at the Week 10 assembly and every child in that class will get to participate in that dare.
